October

Australian International Education Conference

Date: 12 – 15 October 2010

Location: Sydney Convention and Exhibition Centre

Extras: The past year in international education has been one of the most turbulent on record across all sectors. AIEC 2010 will look towards 2020, while reflecting on recent lessons learned. Securing the future for international education will be difficult without more effective engagement with governments, students, teaching staff, local communities, media, Australian businesses and our international partners. The program will have a strong public policy, advocacy, social engagement

and business focus. Register before 25 June to receive the \$200 Early Bird rate
